## Frequently Asked Questions

The following are some of the questions we have received via our website, www.myadiva.com:

**Question:** I have only received my payment receipt. What other agreements should I be expecting?

**Answer:** All buyers will, at different times, receive a pre-sale agreement, sale agreement, deed of assignment and a Building Regulations document before delivery of their unit. Buyers should contact their agents, or applicable location of the ARM Investment Centers for questions on the agreement.

**Question:** Do I have to perfect my title?

**Answer:** All home buyers are required by the Federal Government to perfect their property titles by acquiring a Governor's

consent. The related cost (such as perfection and survey documentation) of acquiring this consent will be borne by the buyer of a property. We advise our homebuyers to speak with their legal counsel to help determine the cost of perfecting the title for their Adiva homes.

*"The Lake is very impressive and really attracted me to Adiva. I look forward to owning a beautiful lakeside home."*
